

Focus on work that matters with the high-speed and all-purpose Epson WorkForce DS-530 and DS-570W scanners. Designed to handle a wide variety of media, you'll be able to scan anything from fragile paper documents to plastic cards, and even thick books with its flatbed option\*. To top it off, scan your documents to your device and share them to your work group through seamless mobile scanning and network connectivity\*\*.

WorkForce DS-530

WorkForce DS-570W

# IT'S IN THE DETAILS.

### Versatile, High-speed Scanning

Boasting a scan speed of 35ppm/70ipm, the WorkForce scanners handle a wide variety of media efficiently and seamlessly.

### Wireless Connectivity\*\*

Enjoy greater convenience by scanning wirelessly to your device or cloud storage services.

### Flatbed Option\*

A Flatbed Dock can be used with the Epson Perfection™ V39 to enable both sheetfed and flatbed scanning.

<sup>\*</sup>The flatbed option is supported only on the DS-530.
\*\*Wireless and NFC connectivity available only on the DS-570W.

# **WORKFORCE DS-530/570W**

Scanning your documents has never been easier with the DS-530 and DS-570W scanners. With high scanning speeds, the versatility to handle a wide range of document types and sizes and even wireless scanning<sup>^</sup>, you will be able to fully focus on work that matters with this perfect office companion.

# Versatile, High-speed Scanning

Boasting a scan speed of up to 35ppm/70ipm, the DS-530 and DS-570W scanners handle a wide variety of media between 27-413 gsm, so you can scan anything from paper documents to plastic cards such as ID, credit and business cards efficiently and seamlessly.

# **Wireless Connectivity**

The DS-570W provides scanning convenience via Wi-Fi, Wi-Fi A/P and Near Field Communication (NFC).

### Wi-Fi A/P

Once this mode is turned on, the DS-570W acts as an access point, allowing mobile devices to connect directly to the scanner without the need for a router or access point.

## **Near Field Communication (NFC)**

Simply place a compatible mobile device against the DS-570W to launch the Epson DocumentScan app for mobile scanning convenience.

# Flatbed Option\* (DS-530 only)

A Flatbed Dock can be used with the Epson Perfection V39 to provide a flatbed option for users who need to scan thick objects such as books, or small and fragile documents that can be easily damaged such as receipts.

\* Push scanning is not supported for Flatbed. For Mac, installation of the V39 scanner driver is required.

# **Epson DocumentScan App**

Scan documents with your mobile devices and share it via email, through other apps or save it to selected cloud services such as Box, DropBox, Evernote®, Google® Drive™ and Microsoft® OneDrive®.

# Scan Fragile and A3 Documents Easily

Scan small and fragile documents, as well as A3-sized documents using a carrier sheet that could be automatically detected by the DS-530 and DS-570W. Alternatively, you may scan fragile documents without using a carrier sheet by turning on the Slow Scan Mode.

# **User-friendly Features**

#### **Automatic Feeding Mode**

The Automatic Feeding Mode enables large volumes of documents to be scanned continuously. In addition, this mode allows you to scan documents one at a time without needing to arrange them by size and they will be saved into a single PDF.

### **Double Feed Detection Skip Function**

Activate the Double Feed Detection Skip function to scan documents with stickers and labels.

# **Epson Scan 2 Features**

#### **Text Enhancement**

Improves text recognition when scanning text documents, whether in colour, greyscale or black-and-white. Removes background for better clarity, which is especially useful for double-sided printed documents.

#### **Document Skew Correction**

Automatically adjusts and straightens scanned images.

#### **Colour Enhancement & Colour Dropout**

Remove or enhance the visibility of ink signatures such as "Confidential" and "Urgent" stamps. Users can pick one of the preset colours (red, green, blue, pink, purple, yellow, orange, or all colours except black), or use the customised settings to dropout or enhance up to 5 colours of your choice with a single scan. Up to 10 preset colours can be saved for reuse.

#### **PDF Features for Added Convenience**

The built-in OCR enables searchable PDF files. Secure your PDF files by setting a password to prevent unauthorised viewing, editing or printing.

# **Document Management**

### **Document Capture Software\***

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

\*Document Capture Pro (Windows), Document Capture (Mac OS X)

### PARTNERS IN PERFECTION

#### Perfection™ V39 Scanner

Small and light, the Perfection™ V39 combines exceptional scanning quality with superior scanning capabilities to capture the finest details.

## EB-1485Fi Ultra-short Throw Interactive Projector

Bring your presentations and learning experiences to life with Epson EB-1485Fi projector. Designed for meeting spaces and educational purposes, the ultra wide, super bright Full HD laser display allows image projection of up to 120" diagonal at the 16:6 ratio.

The WorkForce DS-530 and DS-570W scanners come equipped with all-purpose functions, making work across different industries more productive and seamless.

## **Finance**

The finance industry such as banks, insurance companies, loan companies and accounting companies handle a large number of transactions per day and very frequently require identification and supporting documents to be submitted. This represents a large volume of documents that need to be archived on a daily basis.

- Share scanners among tellers or back office staff with Wi-Fi connectivity\*.
- Enables quick scanning of documents without the use of router with Wi-Fi A/P Mode and NFC (DS-570W only); Suitable to be used in roadshows.
- Scan thick documents such as passports seamlessly with an optional flatbed dock and the Perfection V39 (DS-530 only).

- Scan media of different sizes: receipts, ID cards, bank slips, identification documents, application forms and even general administrative documents.
- Scan fragile or small pieces of paper such as receipts or carbon copy paper without damaging them. The DS-530/570W offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner. To scan multiple receipts or carbon copies, place each piece into a carrier sheet to scan them into a single PDF document. The ADF on both scanners supports up to 5 carrier sheets.
- Reduce the risk of damaging important documents such as bank slips by activating the Slow Scan Mode. This slows down the scanning speed of the scanner without affecting the scan quality.
- With the Automatic Feeding Mode, large volumes of documents can be scanned easily. Documents of different sizes can be conveniently combined and saved as a single PDF document.

# **Hospital**

Medical records are sensitive, private and contain valuable information. It is therefore essential for medical institutions to archive such information lest the hard copy is misplaced or destroyed. Archiving medical records to the cloud also allows medical professionals from different medical institutions to access a patient's medical records.

- Share scanners among nurses at the reception with Wi-Fi connectivity\*.
- Scan ID cards, identification documents and medical records of different sizes with the DS-530/570W.
- Scan thick documents such as passports or bundled medical records seamlessly with an optional flatbed dock and the Perfection V39 (DS-530 only).
- Scan sensitive documents such as medical records without damaging them. Both scanners offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner.

- With the Automatic Feeding Mode, huge stacks of patients' medical records, application forms and general administrative documents can now be scanned easily and saved into a single PDF document.
- Scan medical records with labels attached with the Double Feed Detection Skip function. This enables them to be scanned easily without any paper jam.

# Government

Information that government agencies possess is especially sensitive and confidential and it is of interest for such documents to be archived. Document archival also allows relevant government agencies to access the same information (e.g., citizen identification information).

- Share scanners at the back office with Wi-Fi connectivity\*.
- Scan ID cards or visitor registration documents at entry with the DS-530/570W. If passports need to be scanned, it can be done seamlessly with an optional flatbed dock and the Perfection V39 (DS-530 only).

- Scan fragile media such as carbon copy paper without damaging them. The DS-530/570W offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner. In addition, you can reduce the risk of damaging extremely fragile documents by activating the Slow Scan Mode. This slows down the scanning speed of the scanner without affecting the scan quality.
- With the Automatic Feeding Mode, thick documents such as
  policy formulation papers, tender contracts, proposals and general
  administrative documents of different sizes can now be scanned
  easily and saved into a single PDF document.

### **Education**

Supplementary materials may require scanning to be projected in class, and can be archived for future reference and sharing. It is also important for educational institutions to archive examination papers, certificates, transcripts and testimonials, so they can be reprinted if they get misplaced.

- Share scanners at the back office with Wi-Fi connectivity\*.
- With the Automatic Feeding Mode, transcripts, result slips, certificates and testimonials can easily be mass scanned for archival purposes.
- Scan educational media such as books or magazines seamlessly with an optional flatbed dock and the Perfection V39 (DS-530 only).

# **SPECIFICATIONS**

# **WORKFORCE DS-530/570W**

Model Number	DS-530	DS-570W
Scanner		
Scanner Type	A4 sheet-fed, one-pass duplex colour scan	ner
Sensor Type	Contact Image Sensor (CIS)	
Scanning Method	Fixed carriage and moving document	
Light Source	RGB LED	
Optical Resolution*1	600 x 600 dpi	
Output Resolution	50 - 1,200 dpi (in 1 dpi increments)	
Bit Depth	Each colour (RGB): 10 bit input / 8 bit output	ut
Document Size		
Minimum	50.8 x 50.8 mm	
Maximum	215.9 x 6096 mm	
Supported Paper Weight	27 - 413 g/m² (A8 or less 127 - 413 g/m²)	
ADF Capacity	50 sheets (80g/m²)	
Daily Scan Volume	Up to 4,000 pages / day	
Multi-feed Detection	Ultrasonic Sensor and Length Detection	
Interface	USB 3.0	USB 3.0, Wi-Fi, Wi-Fi Access Point Mode, NFC
Scanning Speed *2		OSD 3.0, WHI, WHI Access I WILL Mode, N. C
• .	Simpley / Dupley	
Resolution (Colour/Greyscale/Mono)	Simplex / Duplex	
200 dpi	35 ppm / 70 ipm	
300 dpi	35 ppm / 70 ipm	
600 dpi	8.0 ppm / 16 ipm
